# Outdoor Signage

Barking & Dagenham College, Institute of Technology Building.  
Cut Vinyl's onto a high rise building, using a cherry picker.

The project was time sensitive and required a swift and speedy solution.

We undertook a site survey, printed the graphics and installed the signage with time to spare.

*"The guys did a fantastic jobs and were super quick putting up the graphics" - **Marketing Lead.***

LED Light Boxes

Signage delivers a great lightbox solution at McArthurGlen Group, York Designer Outlet.

We installed our quality product out of hours to ensure minimal disruption to the shopping experience whilst also completing on time for their launch day.

A big thank you to all the staff and security at York Outlet for their assistance and patience throughout the evening and to our fitting team for another excellent end product.

# Internal Signage

City of Liverpool College

Our Signs Division, were awarded the project to supply the internal signage for 4 existing reception areas Clarence Street, The Arts Centre, Duke Street and Vauxhall Road the new state of the art building.

The team set out to ensure the staff and students experience a friendly introduction to the college across all campuses whilst also achieving brand continuity. We feel this has been achieved by working as a partnership.

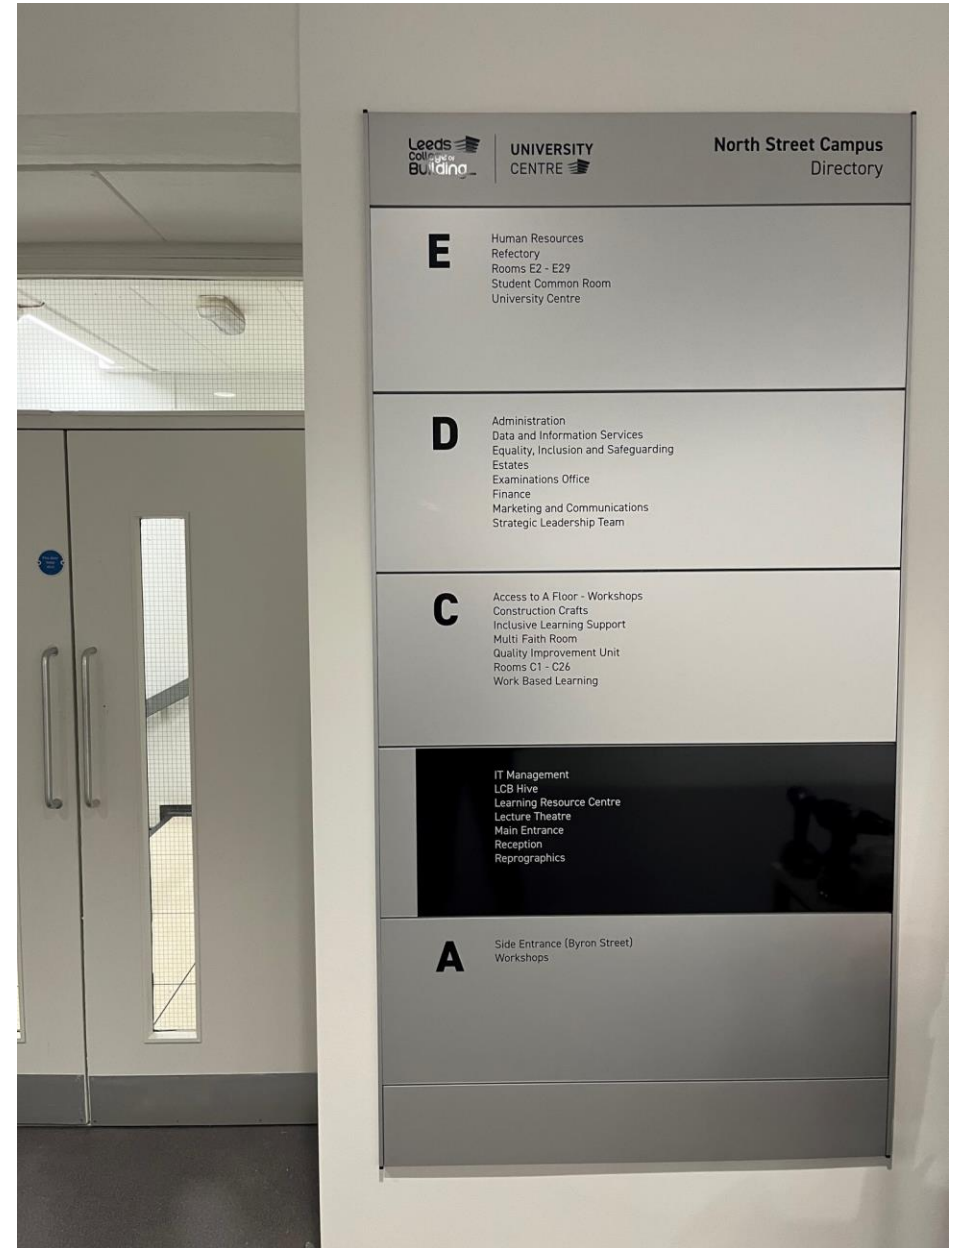

Brian Sheard, Director of Estates and Clair Eld, Head of Student Recruitment and Marketing, worked closely with the team to deliver the project on time and within budget.

# Graphics

Liverpool College - Wall Vinyl's

We were tasked with creating, strengthening the brand identity within one of the faculty areas on campus, using Vinyl Wall Graphics.

Following our site survey, listening, researching and planning in the pursuit of creating the right idea, the images illustrates a compelling story, that turns heads and an engaging identity.
